

Karl Wichmann

May 27, 2017

Karl Wichmann, age 59 of New Brighton, MN passed away May 27, 2017 into the arms of our Lord while at home. He was born in Milwaukee, WI on February 2, 1958. He had lived in Menomonee Falls, Ringle, and Wausau, WI before settling in the Minneapolis area, delving into a career of entrepreneurship of many businesses of sales and finance. He was a staunch conservative supporter who served in the Republican Party since a High School Young Republican Advocate. He was a lover of nature and had a talent in his many gardening displays. He was a passionate Shar-Pei owner having several in his lifetime. Karl was generous to those he became friends with and valued them for life. He never backed down from a spirited debate as he made his side convincing. Karl felt it important to get the name "Wichmann" right, feeling strongly of his German and Hungarian roots. So many felt horrible that these last five years of his health were so compromised. His heart and lungs giving out, diabetes, and broken bones. He was of a courageous spirit through it all. We are confident he is with our heavenly Father, speaking up a storm. Karl, not being an overly religious man, but professing his Christian faith in his way. Karl was preceded in death by his parents, Harold and Corinne Wichmann. Left to love and cherish his memory are siblings, Allen (Joann) Wichmann of Fall River, MA, Steven Wichmann of Coatsville, PA, Barbara Lovett of Bradenton, FL, and Robert (Charlene) Wichmann of Arbor Vitae, WI; niece, Tara Pacheco of Fall River, MA; nephews, Jeremy Wichmann, Andrew (Jacqueline) Wichmann, and Cory

Lovett; great-nephews, Dillanger Wichmann and Mason Pacheco; and best friend, Kelley Berwald. We greatly appreciate the fine doctors and medical staff that helped Karl through his medical difficulties to be as comfortable as possible. Private family interment, Crystal Lake Cemetery, Minneapolis, MN. We will miss him, God Speed.

“Karl was such a wonderful man. I first met him as a customer at Beisswenger's Hardware when he was ordering glass for his tables. I messed up his order and he was so kind to me when I explained that my mind was really on my newborn very preemie grandson, Logan. We would talk a couple of times a year and he would always ask about Logan. Every time I talked to him I would always come away with a smile on my face and in my heart. I will miss him!

“Karl and I became friends due to being mutual clients of each other. He was such a loving pet owner and I appreciated that in him, being his veterinarian. I was so glad I got to spend some time with him 4 days before his death, taking him to my son's soccer game. I will miss that man and his gift of talk! Rest in peace my friend.

“Karl was the baby brother and it was good to get that across to him. He had an impeccable memory when it came to remembering what we shared growing up. Some things i hoped would of rather forgotten. But he enjoyed reminiscing the good ole days. Some of them were rough and we managed somehow to find laughter in them. I know he missed Mom, and what could of been had she survived a few more years. She could of cooked up a storm for us all. He called us frequently for some recipes he remembered to connect with. I guess it's like that to all of us when we value those memories that trigger our senses. With all the ups and downs with Karl We hope he is now having an audience with some kind of speech. Looking through his things I had found he won 1st place championship in a speech contest in high school. Obviously he took jabbering the rest of his life as his calling. So for me..... I will miss his calls to vent, expound, share, lament on world events, being scared, the latest gadget, family doings, about the Nephews and niece, Etc- Etc- Etc..... He could sure yak.
