“ *Very sorry and sad to hear about Rena. I have been thinking about her and all the memories of our childhood friendship. I remember birthday parties, sleepovers, Ice skating at the park, bike rides and her and Athena, driving down to Austin, MN with Amy Scherbing to visit us and to meet Samantha! I still have the picture in our photo album! I regret losing touch with you over the years. I always thought you were a beautiful person both inside and out! So blessed to have known you and to have had your friendship! May God's love surround your family and bring them hope and comfort! I will miss you.*

“ I've only known Rena for a little over a year, but I have thousands of memories of Rena that I will never forget. I remember meeting Peter and Melissa for the first time at Wildfire for dinner and being so nervous. I remember taking her Christian, my Christian, Niko and Sophia to Grand Slam and playing laser tag and jumping on the trampolines. I remember going to Park Tavern to watch karaoke....never singing, just watching, and as we left putting on the same Michael Buble or Elvis songs over the radio and singing. The whole time she would just smile at me listening as I was telling her I thought I could do those songs. She would just nod and say, "oh yeah, for sure." I have a lot of very close friends, many I've had for almost 40 years who I talk to often, many times about Rena.....but the past year she has been my best friend. I will miss her more than she will ever know. My deepest sympathy to Athena, Christian and the rest of Rena's family and friends who will all miss her dearly. She was truly a beautiful angel.
