“ My sincere condolences to Katy’s family. My prayers to you for comfort.

I had the pleasure of Katy working for me at Pillsbury Company’s Export division. One of many memories was the time she accompanied me on an overseas trip to France. We visited our Geant Vert office in Paris helping out with the year end accounting close. I usually did the following on these trips: Work at the office, eat at a restaurant, sleep at the hotel and repeat the next day. Katy informed me that we finished our work ahead of schedule and that we were taking the afternoon off. She said, “Dave, we are done with work and in Paris. Francine will be our guide, so let’s go!”

Thanks Katy!
