“ Dearest Frank & Family: How very sad we are to hear you lost Kay!!! Dang it anyway. We grew very fond of Kay throughout our "escapes" to Paradise South. We were sad when you didn't return anymore and now we no longer escape there!! Kay was such a fun loving, kind, funny gal who everyone who knew her loved her. She will be remembered for the ages. What fond memories we have of her antics playing 5/5 and the great walks we used to take together. We still recall you bailing us out by driving all the way to Mobile to pick us up after an aborted return to Destin via the airlines and being stranded in Houston. How generous of you 2 to do that for us. We remember with humor the dining we did together and the many, many snowbird meetings we attended together. We Pray that God gives you strength to endure this sad, sad time !!! Much Love from Jerry and Mary Ann Krueger Ur Old Sodak Friends.

“ Kay was a very dear friend of ours for over 50 years. Great card player and always liked to keep score. We had a few vacations together and enjoyed a few winters together in Destin, Fl. She had a great laugh and wonderful smile. She's one of God's children and we need to let her go to her heavenly Father. She is much missed but must be needed elsewhere.
