“ *Dean, I just now learned your dear mom had passed. Kay was always nice to me when we'd hang at your house in high school and later, in college years, to watch Dr. Who in the den where your dad, Chick, would be sometimes. I feel privileged to have met such nice people.*

“ *Dean, John, Paul,*

I am so sad to hear of the passing of your mom Kay. She was one of the kindest ladies I have ever known. She was so involved in the church and community. Please know we are thinking of you all at this difficult time.
