“ We were so sad to hear of Kathy's passing. We worked together at the Department of Revenue and it was always enjoyable working on projects with her. Our thoughts and prayers are with you.

“ Landucci Family ~

I'm very sorry to learn that Kathy is no longer with us. I work at Century, and she was always such a cheerful, uplifting, friendly co-worker. I happened to have children around the time when her precious grandbabies were born and I so enjoyed talking with her about babies, being a mother, and parenting in general. I miss her very much.

Your family is in my thoughts & prayers during this difficult time.

*Peace to you,
Kara*

“ I was deeply saddened to learn of Kathy's passing. She and I had many conversations at Century College about her grandchild and my son, as they were born within just a few weeks of one another 3 years ago. She was so proud of her grandchildren. I miss those conversations and send my sincere condolences to her family.
Sincerely,
Jill
