“ I’m so sorry to hear of your loss! Kathy was a wonderful person and we really enjoyed her here at Normandy house. She was always kindly asking how I was doing and loved all our potlucks together. We were sad to see her leave Normandy house but new she would be happy living with her family! It was always nice seeing you all at the pool and playing with her grandkids and visiting with you all. My deepest sympathy.. Heather Joyner

*I was very blessed to know Kathy for years at the rental community she lived at in Edina and I work at. I share my thoughts and sympathy with her family. Kathy had a bright smile, an engaging laugh, was happy to converse, share and pitch in at community events. She will be missed.*

*“ Teresa and I were very sad to hear about Kathy's passing. We are not able to attend her services but Teresa and I have many positive memories. A constant of all those memories is always her attitude that no matter what happened she would always look at the future. We feel blessed having known her. Davison's*
