“ I briefly knew Katie in the early 1970's. I remember she was such a beautiful person. Her personality just came through and lit her up both inside and out. In my thoughts and prayers I will often be thinking of Katie and those she loved. Rest Well, Katie. Sonja

“ Such a wonderful woman. How fun it is to be around her. Advisor, friend, and patient leader. She told us things that made us laugh, and told us things that made us think. She taught us lessons from her own experiences and how we can and should learn from our own. So strong that she would carry the weight and troubles of a distraught young man by putting her arm over his shoulder and ear a little closer. Absolutely weightless. If we listen close, we can still hear. So eternal she is! A Mom and Mother to so many of us. God loves her so much that he took her back. He can do that and I don't blame him! I'd want her back too! God loans us and the Earth someone like this for so long. Long enough for someone to want to be the kind of person that she is, and to follow her to where she is going. Like Heaven. So, when God gets us back...We'll get her back. Such a wonderful, wonderful woman. Reminds me. There is another wonderful, wonderful woman there. And Kathy is so lucky to be hangin out with her now and eating square cookies.

“ Andy, Lorraine, Stacy & family ~
We are so sorry for your loss. You mom was a true lady and dear friend. She will be missed by all who knew and loved her as we did.

With todays busy family life we don't see as many of our friends as often as we'd like. We wish we could have seen more of your mom and Keith.

We'll keep your family in our prayers.
