

Kathleen Helen Roth

March 26, 1928 - February 24, 2025

Kathy was born March 26, 1928 in St Paul, MN, the daughter of James and Mable Otis. Kathy attended high school at Minnehaha Academy, and continued her education at Augsburg College, earning a degree in Social Work. Kathy married her husband Norman Sr. in 1953 and together they raised 3 sons and a daughter. Kathy was a committed member of North Heights Lutheran Church in Arden Hills where she was active in bible study groups and lay ministry. Giving back to the community through volunteerism was important to her, often engaged in serving at local food shelves and meal delivery to the elderly.

The family would like to share their gratitude for the loving and patient care that she received as a resident of Benedictine Living Community of New Brighton, where she resided for the past 8 years. Affectionately known as "Grandma" by staff and other residents, she truly felt that she was part of an extended family that showed her love, support, and friendship.

Kathy is survived by her sons Norman Jr (Kathie), David, and daughter Cindy Darnell. She leaves behind five grandchildren, and six great-grandchildren. Kathy is preceded in death by her husband Norman Sr., her son, James Roth, her daughter-in-law, Debra Roth, and her sister, Marilyn Bauer.

Kathy will be remembered and celebrated on Wednesday April 23rd, 2025 at

North Heights Luther Church-Arden Hills Chapel, Arden Hills, MN. A visitation will be held from 10am-11am, followed by a service at 11am. Lunch reception to follow. Private inurnment at Forest Lawn Cemetery.

Memorials preferred to North Heights Lutheran Church or Benedictine Innsbruck Living Community of New Brighton.

“ Norm, Kathie and family,
We are so sorry for the loss of your Mom. Although we did not know your Mom, we can tell how wonderful she must have been just by knowing you. She was Blessed with a great family. Take comfort in your memories as you grieve.

“ *I started working at Benedictine two years ago. Grandma and I would have such a fun time and when she was anxious, I would put on classical music in her headphone and put her in the sun. She was kind, interesting and had a love of people.*
