“ Bob,
I was so sorry to hear of Kathy's death. You shared stories with me of your life together on the North Shore and in Mexico and I know you enjoyed all those adventures. They all sounded so idyllic. I feel for you and what you must be going through. I will pray that you find some comfort in all that you shared over your 56 years. 56 years! Not long enough, I know.
With sympathy and hugs,
Janet Jorgenson

Bob,
It's been a long time since we've "talked" so not sure you'll remember me. Just wanted to say how sorry I was to hear about Kathy's death. 54 years, how wonderful. My sympathy to you and the family.

Bob,

Al and I were saddened to hear the news of Kathy. He and I both have fond memories of working with you at Tennant and how personable you were with everyone. You spoke of Kathy and your adventures with such enthusiasm and joy. May you be filled with grace as you move forward without her.....
