“ Lucky was I to meet this wonderful lady in 1986 at a brand new job. She welcomed me with open arms and became one of my dearest and trusted friends. I could count on her to be honest (sometimes too 😭), and always with a chuckle and a roll of the eyes sometimes, as I could be exasperating! I'm very sad she has passed but my heart knows she is again with Frank. 💔

She enjoyed your friendship as well. I'm sure you worked hard together but I bet there was more laughs and fun to get through those days!!
