

Kathleen Agnes Stoffels

April 13, 1949 - June 12, 2024

Kathleen "Kathy" A. Stoffels, age 75, of Minneapolis, MN died June 12th, 2024.

Kathy was born in Madison Wisconsin and attended high school there. She went on to graduate from the University of Minnesota and decided to make Minneapolis her home. She loved living in NE Minneapolis and all the cultural opportunities available to her. She loved art, music and theater.

She began her career as a respiratory therapist and provided care to patient for about 20 years in several Twin City hospitals. She later studied financial planning and became a CFP.

She loved gardening and nature. She was especially proud of her perennial garden at her home. She took up birding and took nature hikes frequently around the State to observe birds and nature.

Over the years she had several dogs and cats. Her favorite dog was a black lab named Rocky who she would take everywhere with her. She happily opened her home to dog sit friends' dogs when needed.

Kathy had a cheerful personality and was quick with a kind word.

Kathy is survived by brother Rick (Mary) and nephews Karl, Sam (Bea) and Jacob (Kelly).

The family wishes to thank the Visiting Angels team for all the care they

provided Kathy over the last six years.

“ I knew Kathy for many years as a loyal and devoted volunteer with the Care Partners program at the University of Minnesota Children’s Hospital. Her experience from her professional background, her empathy and compassion towards others, and a true desire to help in her very best way of giving her time to others. I always enjoyed working with Kathy and knew her assignments were in very good hands. Kathy brought comfort to many pediatric patients and their families.
