“ I think about you a lot, Kathy. I will always remember the times we put puzzles together late at night after you made us come back for our curfew. I will miss seeing you at my softball games. Leonard has become one of our most loyal fans. It was a pleasure knowing you here on earth and we will meet again someday.

“ Rosie good job with this for mom! looks great!! I will love and miss Mom! Natalie still reminds me that Grandma Kathy's favorite color is red, and she just said today as we were coloring with red "I wonder if Grandma Kathy is coloring in Heaven too"!!! I will always think of mom when I watch "Days of Our lives" or hear oldies music!!

TH

“ So sad about the loss of my dear Aunt Kathy...she recently came out to my house for a bbq with my Mom and Aunt Phyl ..she smiled her great smile and said "This is the best hamburger I've ever had." Proudly I thought to myself-she only said that to make me feel good! ha ha we all know Porky's has the best burgers! That's why I had to send The Porky's truck instead of flowers to her funeral! There should have been a photo of her in the entry way of Porky's! I am very thankful she was apart of my life-I could count on her no matter what...and she was always there for my Mom...My heart aches thinking I will not be able to laugh with her...She was one of the only people that were in my children's thoughts and let them know how proud she was of them all...I miss her already so much! Family meant family to her no matter what-no judgement just love and worries..hard to find in people these day's...God bless you Aunt Kathy

“ You would have been proud to see your life celebrated in such fashion. The mixer on Monday in the funeral home was filled with people sending their love to your family. Tues the mourning came in earnestly as we all gathered to say our final goodbyes. You will be missed. Who will keep us all up to date on the family happenings. The last two days proved that Leonard, Chris and the girls will be well supported as they resume their lives with out you. Rest in Peace, Kathy. Know we love you, we will miss you and we got things covered down here.
