“ *I flew with Don several times. He was a fine gentleman, and I always enjoyed being around him.*

“ *Emil---I am so sorry for you & your family. Kathy was a very special lady. I am so very sorry I didn't get to see her. I have some very very fond memories of her & have regretted not being better about not keeping in touch w/ her besides christmas. Kids & life distracted me, but she was never far from my thoughts. My thoughts & prayers are with you...Penny & family*
