“ I'm so heartbroken. I don't even know where to start. First I will always cherish every moment we had together. Listening to the laugh that would catch on to you and make you laugh with. The smile that would just make you smile back. To the biggest heart & personality to go with it. You will always be in my heart & I will always remember how you made me feel so good calling me " Auntie pretty. I have purchased shirts for paws in your honor. I have so much to say, but unable to get the right words to say it. Love always and forever!! Auntie pretty

“ On one of our many trips to the Apple orchards every year, I was busy flirted w/ the foreign tractor driver, & Kassie decided to kick a soggy pumpkin. It soaked her in stinky old pumpkin juice. Katie yelled to tadel on Kassie, however, I, far to caught up in this mans accent just yelled back to Katie "just kick some dirt on her." Well OF CORSE Katie did just that & then some. 🤔🤔🤔 She was a great helper along with one of the most contagious personalities I know. I can hear her laugh as she reads this, that makes my heart smile. I love you & I know you will always be with us. Love always & forever from your favorite cousin Karla

“ Our precious - beautiful Granddaughter Katie has left this earth but not our hearts and the many wonderful memories we were able to make with her. She touch some many of our lives - her smile, laugh and just plain old caring about everyone she loved! We are deeply missing her and will always love her forever! So goodbye for now "Bellbottoms" and remember Grandma and Grandpa Murray loves you very much!
