Dahl Family, I am a neighbor of Kathryn at 6307 Barrie Road (3 years in October already). I met Kathryn when we first moved in at a welcome get-together with other neighbors, Mark, Rita, Jeff & Dan, Sarah and others. I would see her from time to time with her dog and see family members visiting. I had no idea what she was going through and I am very sorry for your loss. Prayers and peace to you all today and always.

“ *Phyllis and family. Kathy was a sweet and loyal friend of mine for 18 years while at Best & Flanagan. She started her employment about 2 weeks after me and we became friends as we both worked in the same department. We spent many hours proofreading legal descriptions for mortgage foreclosures, title opinions, and other legal documents. We went to ice skating shows and talked about our animals.*

I did reach out to her a couple of years ago to try to get together but she wanted to wait as she was worried about her parents and the COVID virus. That was Kathy. Always caring for others and very dedicated to her work and family.

Thank you for the memories, Kathy, and I will think of you every time I see a Sheltie. I know how much you loved your babies.
