“*Kayte was one of the first people I met at St. Anthony Snyder Red Owl in 1980 when I went to work there. She later trained me in as a Cashier and together with several others, formed the backbone of was a very successful team who worked with, greeted, and insured that Customers were well taken care of at the store. She was indeed a special person and one that I'll always remember fondly from those days. Best wishes to her family during this time.*
