“ I wanted to offer my sincere condolences on the loss of your mother. I worked with her at the Elkhart Clinic from 1992 to 2003 as an audiologist. She put PE tubes in both of my kids' ears. I thoroughly enjoyed my years there and her friendship. Rest in peace, Kate, Nancy Harper

“ So sorry to read that Kay passed away. My husband and I knew your mother for a long time and shared many great times with her. I missed her surgical skills when she retired, but I will miss her even more as a friend. Our hearts go out to Carl and Carrie. May your mother rest in peace.

“ Carrie & Family-

I am so sorry for the loss of your Mother. It was my pleasure to have met her and cared for her in Bremen. I have thought of Dr. K (as I called her) often. I'm glad to see you were able to get her out to you in MN. It was a joy getting to know your Mom and to listen to all the stories about the horses and the stitches she had to give Carrie. I hope you all feel comfort and peace.
