“ Kathy loved Gideon. She would see him, start crying and then relax with him by her side. The last time we visited, "She said, 'I am content.'”

“ *Kathy and I go back; 62.. Kathy was my first cousin, Auntie Jean and my dad were brother and sister. We were always a close family but the Reay side moved to Houston, TX in 1968; and it was harder to keep in touch. Kathy and I reconnected a little over 20 years ago, and she would come down for Christmas or Thanksgiving most years. Once Kathy retired, she moved to Houston and moved in with me for about 18 months. We had a great party when she turned 60; we went to her favorite Mexican restaurant and they have a chocolate pieta; you cracked it open and all sorts of goodies fell out. She tried her first "Mud Bug(crawfish)" when Adam and Leigh came down to visit, Kathy was not big on that, but Adam loved them! You have no idea how much I will miss Kathy; she drove me nuts and I know I drove her nuts, but we knew we always loved each other. God Bless you Kathy, I love you.*
