“ My deepest sympathy goes out to The Starr Family. The last few times I chatted with Kay she was undeniably proud of her beautiful family, you all gave her an incredible amount of joy. She was such a great person and taught me so much. I have great memories of our times at English Rose Suites .. oh how she loved it when I would sing with her! She will be dearly missed! God Bless You, Mrs. Kathryn Starr, and your loved ones. To Kay Leaving English Rose Suites was very difficult, mainly because of you.....I am so glad I had a chance to meet you. You had the most beautiful smile. I will never forget our time spent together, me doing your make-up and hair, making sure your cloths were perfectly match, but most of all singing and spending time with you...you were such a dear and sweet person, and I missed you than and I miss you now. I remember when I would put you in the bed, and I would sing "Yes Jesus Loves Me", and you would start singing, and than we would sing "In The Garden", and than I would say good night, and you would always say..."you are such a sweet girl", and than I would say.."goodnight Kay, I love you"! And than I would get that awesome smile that only a Grandmother could give! Please know that you will be truly missed. I always said, every person I care for, would be treated as if they were my Grandparents...I hope that you felt as if you were family!

“ Bob, Brad, Eileen and family. We will always remember Kay as a real Christian lady. She always had a ready smile and a supportive word. Having lost my mom at 87 years this past August, I can identify with the mixed feelings you have as you celebrate her heavenly homecoming.
