“ *My wonderful and fantastic aunt Kathryn Strenglis, was one of the most talented, gifted and kindest human beings that ever lived..... as the Bible says, and like all of us.... She fought the good fight. She fought the good fight..... Let's hope that can be said for all of us..... She was one of the most brilliant people that ever lived to.... She would always offer me books she owned for me to read, but I always had problems with understanding them, because she was much much much smarter than me and the vast majority of people....It just went over my head that's for sure..... Her memory will be eternal because of her great example..... I feel a great emptiness in me and a great sadness in me knowing of her passing..... all who knew her was touched immensely by her, and all who knew her knew that she left the world a much better place because of her great presence..... we all miss you so much, Aunt Kathy.... Our great and wonderful Aunt Kathy..... God bless you for eternity..... please pray for us from the highest levels of heaven, which is where you are..... God bless you and Kathy..... love and admiration always, nephews, Bill, Todd and Paul Bagatelas.... And all who knew her.*
