Kathy Dickinson September 5, 1944 - June 2, 2025

Kathy Dickinson, of Minneapolis, Minnesota, passed away peacefully after 10 joyful years in the care of Good Samaritan Ambassador. Born with Cerebral Palsy on September 5, 1944, Kathy lived a life full of resilience, humor, and heart.

Thanks to her determined parents and the support of Senator Hubert Humphrey, Kathy was part of founding the Michael Dowling School, paving the way for children with physical and emotional challenges to thrive. She later became a proud contributor through the United Cerebral Palsy Foundation, now known as AccessAbility, earning her own paycheck while packaging gift wrapping supplies and sorting coupons for General Mills.

Kathy's childhood on her grandparents' farm was filled with laughter, mischief, and cherished memories—from apple-picking to sneaking mice into the house. Her lively personality, quick wit, and fierce independence stayed with her through every stage of life.

She is remembered with love by her family and friends, who will miss her bold spirit and unforgettable stories.

A celebration of Kathy's life will be held at 2:30 PM on Tuesday June 24th at Good Samaritan Ambassador 8100 Medicine Lake Road in New Hope .

In lieu of flowers, donations may be made to the AccessAbility, Inc. Minneapolis in her honor.

“ I remember spending the night at my grandparents house and I would have to sleep with my Auntie Kathy, man she could snore and dang it if I don't snore now too!
I remember my Auntie Kathy would light up and get so happy when we would come see her or when she would come over to our house. Her smile would light up her face. Auntie Kathy have gray big hugs. Auntie Kathy had a good heart. She was loved and always will be. I love you, this is not good bye, but will see you again one day. May the Angels watch over you. ❤️🙏
