“ It saddened me to learn of Kathy's passing. I worked with Kathy for over 20 years through Northern Capital. Her sense of humor was like no other. She was always making me laugh before we got down to business. And she was excellent at what she did. She will forever be missed. I know there are no words to her family and friends but I hope you find peace and comfort.

“ I have worked with Kathy for MANY years through Northern Capital Insurance. I never met her in person but have talked with her on the phone many times. She was always so pleasant and always so professional, she was good at what she did. It saddens my heart that she has passed and will be missed. Prayers for her family, friends, and co-workers that the love, comfort and peace of Christ surrounds you during this difficult time. Sandy Beyer (Crow Wing Cabinets)
