“ *I am sorry for your lose. Katie was and unbelievable person, she had so much zest for life. I was her roommate at the Nursing home, when I arrived I was so nervous, she made things so much easier. Katie was so easy to be around, we shared the loved for sports, and card games, we really supported each other, we had and instant bond, and would have a life long friendship. I really miss you Katie, and think about you daily.* ”
