*I love you Trina and miss you so much. I think of the days we had when we were growing up together before you passed and cherish the time I had with you. I have 3 children now and I know you would of adored them and I think about how much we are all missing without you here. Is been 17 years and my heart still hurts like it was just yesterday. I promise I will still make our dreams come true. Until we meet again in heaven save a spot for me bffe. R.I.H love you dearly and Trina can you watch over my mom and josh please? 🙏🥹*
