“ Kay was a very special wonderful lady. She had only love and kindness in her heart. I lived with Kay in the "Pink House" which was a duplex with 6 girls on each side. I worked at NWA in reservations but kay worked one of the "Special" desks. She worked days & I worked swing so we didn't get to do a lot of things together but she was always sooo sweet. Recently whenever we were in MPLS we would contact Kay & Chuck & get together to visit. We always looked forward to our time together & will really miss her.

I worked with Kay at NWA for 38 years. We had so much fun. We laughed so hard every morning. She would come by my pod & we would visit & get hollered at each day because it was time to get to work. We had so much to talk about! I will surely miss Kay. I love the picture of her. RIP❤️❤️🙏🙏🙏
