“ After the first of only a few times I've been able to meet with the Knit Unto Others group from church, Kay was always eager to say "hi" to me and check in on how my own knitting was coming. She was someone who always made me feel entirely welcome despite my age. From a pattern she kindly gave me I had made a baby hat for my cousin's baby which has been well-loved. Kay had such a generous and patient heart <3

“ Kay, you loved Jesus with all your heart. Your faith and works were full of love and joy! You made the most of Jesus. You have overcome death through Jesus. Praise God! It will be a joy to you you again, Kay! Dancing and rejoicing in heaven!

“ *My fondest memory of Kay is the prayer times together before serving Wednesday night suppers. Her "talking to God" at those times made the experience even more special. Thinking of you, Ron.*

“ *Kay will be greatly missed. Her sweetness, compassion, and thoughtfulness will always be remembered. I'm so grateful for the years I have been privileged to know Kay and wish they were longer, but know that we will spend eternity together because she is my sister in Christ.*

Ron, you and all your family have been, and will continue to be in our prayers. We love you!

“ Kay and I have known each other since she was in 5th grade and I was in sixth. Schultz's moved into our Hickory street neighborhood and we connected right away. Kay's father always did special things for us taking us to the drive-in movies and to our first concert at the Minneapolic auditorium to see the early rock and roll idol's, Franklin Avalon, Fabian, Jackie Wilson, and the many groups like the Diamonds. Kay and I would talk about this often. Kay and I took dance lessons together and performed at places like Nursing homes and The State Hospitals. As we got older, we always kept in touch. I will miss her everyday. If I needed someone to talk to, I knew who to call and I know she felt the same. I know she is at peace and smiling down on all of us. Janet Hansen

She was the bestest neighbor - my heart aches for her family and friends who have to find a way to move forward without her it's going to be so difficult.

Kay is the mom of my dearest friend Ann. I have seen Kay be the best mom, wife, Grandma, and Great Grandma anybody could dream of. She cared so much for so many! She definitely showed others her love and the love of Jesus! Prayers and comfort to all who will deeply miss her!

Kay and Ron were faithful servants on my Wednesday night supper team for a number of years. Kay was a loving and gentle soul with great compassion for others. Both she and Ron showed Christ's love to my parents in the last years here on earth. I will miss her.

Thank you Pastor and Family for this tribute to an amazing person. Kay and I met in the late 60's and have had a special friendship I shall forever be thankful to God for this gift. Most of our communication the past several years was via phone chats that lasted 1-2 hours. Mostly it was Kay that called me. She just always had the best timing, knew when to call and offer a good ear. She had a way of listening and sharing Jesus like no one else. Kay certainly is not gone, she lives on in Glory .I love you Kay. Prayers for Ron and the family. Jeanie Po
