

Keith Lawrence Brenny

December 10, 1964 - October 15, 2022

Keith Lawrence Brenny of Brooklyn Center, MN passed away on Saturday, Oct. 15, 2022. Keith was born in Minneapolis on December, 10, 1964, to parents Lawrence and Teresa. He was the only boy and had 3 sisters - Angie, Dina, and Julie. Through Larry's second marriage, he happily gained a brother when Matt was born. Keith grew up on Ulysses Street in Northeast Minneapolis and attended Waite Park Elementary, Northeast Junior High, and Edison High. In high school, he worked at The Parlour on 29th & Johnson where he learned the love of cooking. He spent the next chapter of his life working in the medical device industry as a production supervisor with companies such as Medtronic and Entegris.

Everyone who knew Keith was aware of just how intelligent he was. He was most definitely gifted. He had a playfully sarcastic sense of humor and loved his country, even attending a Presidential Inauguration in Washington D.C. He shared a love and geekiness for weather and airplanes with his dad, and also cherished the times he went fishing with his dad and brother. He had a secretive, tender heart for his mom, and held a strong connection with, and deep affection for, his three sisters.

Keith is survived by his parents, Lawrence Brenny and Teresa Hommes, sisters, Angie (Joseph) Greenberg, Nadine Brenny (Greg Yarke), Julia (Stephen) Shirola and Matthew (Annie) Brenny, nieces and nephews, Ari, Ilana, Akiva, Cameron, Gabrielle, Wesley, William, Victoria, Blake, and Brooks, along with his special aunt, Carolyn Bruneau-Malson and uncle,

William Bruneau.

Keith is preceded in death by his grandparents on both sides, his beloved Auntie Bev, uncles Conrad and Darrell, and his nieces, Alayna and Lauren. It brings our family a sense of peace to know that he is reunited with these loved ones who were all so joyous to welcome him "home."

“ I just can't believe Keith is gone. We were good friends in high school and recently he helped me through a tough time in my life. I was just thinking I should reach out to him again, since it had been awhile and then I found out about his passing. I will always remember how we loved to laugh together. I will miss him, he was one of the good ones.

My thoughts and prayers are with the entire family as you treasure Keith's memories, while trying to go on without him.

“ I'm not sure quite what to do without you. I just always believed that the four of us would grow old together and stay in each others lives. It will never feel right without you. I only wish I had said I loved you thousands of more times than I did. I will so miss our deep conversations, the love we felt for one another and the connection we shared over our love for this country. Thank you for being my big brother. Love, your bossy little sister.

“ To my big brother - I love you, I miss you, and I am heartbroken. For the rest of my life I will look forward to reuniting with you. You have so many on the other side to celebrate with, especially Lauren and Auntie Bev. I'd say that makes you a pretty lucky guy. Until then, I'll try to "buck up" for you, but that's a tall order.

“ Keith always had an intellectual point of view at many of our family events . He will be dearly missed with his insight on events that were over most of our heads . RIP young man 🌸
