*I sit here with tears flowing and memories of my brother Keith Sago and the well thought out Memorial Service that only my youngest sister Walterella could do. I'm thankful for her and my entire family. For God is Love and for this very reason I must Love.*

“ I am Tanya's niece. I took care of Keith briefly and would come do little things for him. He was a very intelligent man. We had good conversation. He will be deeply missed.

*“ I delivered groceries to Keith for Help at Your Door when he lived in Bloomington on Nicollet. I also enjoyed delivering to him because we had great banter back and forth. He was not shy for words or his thoughts and had a fun wry sense of humor. He was one of the many reasons I enjoy doing what I do. My condolences to all of Keith's family. Lynn*

*“ Gone from this earth too soon. You were always the one that was always cheerful and talkative. Talking to you on the phone would definitely be at least a 2 hour conversation. Your smile, laughter and pleasant personality will be missed.*

*Yes cuz, those long phone conversations will definitely be missed. We talked about everything under the sun and laughed, laughed, & laughed, sometimes fuss, and agree to disagree on many subjects, but at the end of the day, it was always a pleasure talking with Keith.*

“ To our brother, friend and confidant:

*God saw you were getting tired, and a cure  
was not to be.*

*So, He put His arms around you and  
He whispered, “Come with me.”*

*With tearful eyes we watched you  
suffer and slowly fade away.*

*Although we loved you dearly,  
we could not make you stay.*

*A golden heart stopped beating,  
hardworking hands to rest.*

*God broke our hearts to prove to us  
He only takes the best.*

“ So many cherished memories of us together when we were young adults. How we would ride together laugh and talk. Your personality made it easy for me and others to connect with you. You were such a loving and talkative person. Making it exceptionally easy to get along with, I am going to miss you dearly but you will still be in my heart ❤️. I will always love you and rest assure I will see you again.  
With Love,

*Your sister Kim*
