“ *Jan and family -*

My heart goes out to you during this time. Kellie was a fun and entergetic person to work with at Target Field (and the Metrodome). She was always ready to lead a guest in the right direction or to help me out in any way. She will be missed.

I know she is greeting those at the gates of heaven and I will one day see her again.

“ *Jan, Kris and Kandie,
Please know our thoughts and prayers are with you all. How very difficult for all of you and how important to have each other to comfort you. All the tributes talk about her and her love for the Twins, Wolves and Lynx. We relate to all of that so much. May you find peace through all the good memories of Kellie and that so many people care for all of you.

“ Jan, I am so sorry to hear of Kellie's passing. Her smiles and kind spirit will be greatly missed. I am so blessed to have known Kellie through the years at the Metrodome and Target Field. Yes she loved our teams, but she will always be an example of joy in serving others in my mind. I'm grateful for the wonderful memories she's left in our minds and for her eternal impressions on our hearts. God's peace to you and the Nelson family while keeping you in prayers,

“ Jan and the entire Nelson family - with sadness I learned of Kellie's passing this afternoon. I don't really know what to say other than God's love will be fulfilled and she will be embraced by His warmth and caring love. I can only hope that Jan will feel the same love expressed to her by all of us that have come into contact with these two wonderful ladies during our times at Target Field. I'm so sorry for your loss.....our loss. Sincerely, David Silker

“ My deepest sympathies to you, Jan, and the rest of the family. I loved working next to Kellie during the Lynx seasons. Her smile made even a not so good day seem that much better. She always had time to say hello, ask how you are and then wait for your answer. My thoughts and prayers are with you. She was taken to soon and will be missed by so many people.
