“ *Phil, Remember Kelly from the Canadian fishing trips. She was such a pretty thing, unspoiled and so pleasant to be around. Remember when she "drove the boat" and the shear pin broke. She had found a great fishing spot though & a lot of walleyes that day. Lots of laughs over that one. The rest of us fished around your boat that day and caught a bunch too. So very sorry for your loss. Steve Gervais (Chuck's son-on-law)*
