“ I met Kelly in my 4th grade class and we were friends ever since. She was the happiest, most bubbly person and I will miss her so much.

Thank you Allison. You know how much Kelly loved you & Justin, She felt so honored to be included in your wedding day. She will always be with us, we will just need to lean in closer to hear her laughter in the wind. Thank you for being a great friend to our beautiful daughter.

*“ Kelly was such a sweet person. She seemed to always be smiling every time we saw her. She was a bridesmaid in our daughters wedding and Allison was so happy Kelly could be there, and so were we. We'll never forget her kindness and warm, happy personality.*

*Thank you Dave & Susan. Through the years, Kelly would often talk about life at the Kibler house, and how much she enjoyed her talks with you, and watching young Carson grow up. She, and us, felt so blessed to have your daughter in her close circle of friends. Thank you for your words of comfort. It is the love & support of so many that will provide comfort to us as we learn how to move forward..*
