

Kelly Ann Neumann

December 20, 1966 - June 20, 2024

Kelly Ann Neumann, 57, of Chanhassen, died suddenly on June 20, 2024. Kelly, the eldest of Gary and Shirley (Sullivan) Neumann's three daughters, was born and raised in New Hope, MN. Her love for the BBC, period dramas, guy humor, memes, Topo Chico, cheese pizza, dogs, music, water filtered through Golden Colorado and yard art was infectious. Kelly's unexpected departure has left a void for family, friends, and her four-legged children. We will miss Kelly dearly but are comforted that she is reunited with long-lost family and friends, including Shirl, MeMe, Scout, Peeps, and many other loved ones. Visitation Tuesday, July 16th, 4-7PM at Washburn McReavy, West 50th & Highway 100, Edina MN. Life is Good!

In lieu of flowers, please donate to your local animal rescue.

“ I had no idea Kelly passed way until I googled her today (August 18, 2025) and this explains why I haven't seen her name in Cigna's address book. She changed jobs so I didn't interact with her. However, previously to her job change, I did interact with Kelly as we both worked at Cigna and when I had a question on a Dental Analytics report, she was the 'go to' person. She was always happy and helpful and just a joy to work with. She was always pleasant and always called me 'Sunshine' either text messaging or talking on the phone. We had some commonalities as she lived near the Chanhassen Dinner Theater and we talked about that. I previously lived in Minnesota as well. She is sadly missed.
Rest in peace, Kelly. You were loved!!
