

Kelly Elizabeth Winston

August 2, 1974 - April 30, 2022

Winston, Kelly Elizabeth age 47, of Eden Prairie, passed away peacefully on April 30th with her loving husband at her side. She is survived by her husband, Philip; her mother, Marianne Jasper; her father, Gene Jasper (Shirley); her sisters, Dawn Jasper and Debbie Roberts (Derrick); her niece, Callie; nephew, Cole and stepsisters, Melissa and Lindsay. She was preceded in death by her mother-in-law, Jane Gustafson and her loving grandparents. Kelly was born in Minneapolis and graduated from Blake High School. She received her undergraduate degree at UMass and her Masters degree in Industrial & Organizational Psychology from NYU. She started her long career as a management consultant with Accenture in New York City and continued across the globe with IBM, Deloitte and other top tier consulting firms. She loved her dog Willy, vacationing on Madeline Island and was an avid Packer fan. She even convinced her Viking super-fan husband to have their wedding at Lambeau Field, which many family and friends still hold in their heart as the most celebrated wedding they ever attended. She was an aspiring Top Chef and was always concerned about Victor Newman's next scheme. She will be missed dearly by so many. "Go Pack Go!" Love you, Bun! A Celebration of Life will be held in July. Kelly held a special place in her heart for all animals. In lieu of flowers, please consider donating to your local Animal Humane Society as Kelly loved the support they provided to our communities. God Bless Kelly!
