I am so sorry for your loss! I literally just found out today that Kelsey passed away. I worked with her as a para at 917. She was such a sweet person and she was very funny when she wanted to be. I pray that the family does well and I will keep you in my prayers Kelsey, you surely will be missed !!

“*kel was one of my best friends. we were long distance friends, but there isn't a day we wouldn't talk when we first met. we grew a lot together; from being angsty teenagers to facing some pretty tough situations. i remember when we both got our permits then our first jobs and how we celebrated. we said "i can't believe we made it this far!" god, she was such a good, kind, loving, and easygoing person. she had so much love to give. you were taken from us way too soon. i will love you forever my girl.*

“*I've never met Kelsey, i play games online with her father Kurt all the time, but everything i've heard about her from him just shows she was an awesome person and equally awesome and amazing daughter.
Condolences and hugs to her family and friends from Canada*
