“ *Ken became a part of our family when Jeremy and Jamie got together. When we asked him to come camping with us, he was so happy even though he thought we were nuts the way we camp, but he quickly got used to our way and he loved it, we had so many laughs, he and the kids found a dead snake so they put it in a jar buried it and planned to dig it up the next year, they all forgot, Ken would go fishing with Dick and they would talk or rather Ken would talk Dick would listen. I will never forget the day Morgan was adopted Ken came to me and said " Raine now we are Grandparents " he was so happy. We have so many happy memories with Ken in the short time we got to have him with us! Thank you Ken for sharing your life with us, Rest In Peace!*

“ *Uncle Kenny I love and miss you so much!
I finished your memory board last night.
I cried at looking at all the memories I had with you.
You and I were so close.
I often wish my phone would ring and it would be you saying "Hi
Kimmy" just like you always used to.
Please watch over all of us.
Love always, your favorite niece*
