“ I extend my heartfelt sympathy to the Guetzke family. I wanted to share the hope found in the bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will come out." And at Revelation 21:3,4 it states that there will be a time when "death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and I hope it does the same for your family

I worked for Dr. Guetzke from 1959 to 1965! He talked about his family all the time. He was wonderful to work for. Your father was a great man, all his patients loved him dearly!
