“ Barbara, Jeff and Ron, my heart goes out to you. Ken was a man I looked up to and respected as a kid growing up, and as an adult. The same goes for Barb. The memories of the family gatherings, holidays Great memories with all of you. I love you,

“ I can't mention Uncle Ken without mentioning Aunt Barb because the two were truly one. While it's true they are great parents of two wonderful sons Jeff and Ronnie and their families, who I am proud to have as my cousins. Perhaps the thing that stands out most to me is how they were and are truly ageless, and young at heart. Always having fun and living life To the Max. Although it is sad, that he's passed, he will never be forgotten. Wing back 442
Love you guys!!
