

Kenneth Allen Lastovich

September 7, 1963 - April 17, 2021

Kenneth Allen Lastovich fiercely battled neuroendocrine cancer for 13 months but ultimately answered God's call to come home. A skilled negotiator and eternal optimist, we were convinced Ken would reach an agreement with our Maker for another 25 birthdays. Although Ken will not have another 25 years, he made the most of the 57 years he lived among us.

Ken liked old cars, especially his 1969 Chevelle SS 396 convertible. Ken used that car to help him woo the love of his life, Terry-Lynne. On their wedding day in June 1987, Ken drove away from Our Lady of Lourdes Catholic Church with the top down on his shiny, black convertible, a big grin on his face and Terry-Lynne by his side.

Ken loved the breeze in his hair, whether it was driving a car or flying across the water in a boat. Ken spent annual fishing openers on Minnesota's icy waters with his dad and brothers. Ken always spoke fondly of summers spent at his uncles' lake homes with his cousins. Later, Ken introduced his sons, Andrew and Steven, and daughter Lorna to his love of water sports. They, along with his nieces and nephews, have fond memories of water skiing and tubing, when Ken was driving his boat. Even though there may have been a few bruises and cases of near whiplash, the fun they had with Ken made it worthwhile.

Ken built a successful business using his natural ability to develop meaningful relationships and had a special bond with long time mentor Charlie Quarstad. Although Ken excelled in his work life, he always made family his number one priority. He was a devoted son, husband and father. Ken loved spending time with family: BBQs in the backyard, movies on the big screen in the basement, hosting big feasts on holidays for family, playing board games, ski trips out west and of course DIY projects, endless projects. No matter what the activity, Ken was all in.

On April 17, 2021, Ken left the surly bonds of Earth to rejoin his mom and dad, Arlene and Marko, his brother Steven, and his father-in-law Louis Ritchot. Ken is survived by his wife Terry-Lynne, his sons Andrew and Steven, his daughter Lorna, his brother Mark Lastovich (Vicki) and his sister Lynne Pepin (Tim). Ken's extended family, mother-in-law Maureen Ritchot, sisters-in-law Wendy Anne Asplund (Steve) and Jocelyn Knoll (Peter), brother-in-law Darren Ritchot (Roxy) and his nieces and nephews, will miss his enduring kindness and friendship. Ken's wife and children will miss his daily presence and love. Ken made a difference in every life he touched.

The family thanks everyone for their prayers and kindness, especially Dr. Hucec of Minnesota Oncology and the nurses, doctors and staff at United Hospital.

In lieu of flowers, memorials can be sent to the Neuroendocrine Tumor Research Foundation or donor's choice.

A private Service will be webcast on Saturday April 24th @ 11AM. The webcast of the service can be viewed from Ken's obituary page - click on the photo/video tab to view. A public gathering of friends and family will be held from 12 noon until 1pm at the Washburn - McReavy Coon Rapids Chapel. 1827 Coon Rapids Blvd, Coon Rapids MN 763-767-1000

“ I have known Ken and all the gentlemen at MEC for many years. Ken had a wonderful personality, with grace and humility. I didn't know the medical challenges he was facing when we met late December 2019. He faced his challenges well without hurting others. My sincere condolences to the family. May God's grace be with you all.

“ I have had the pleasure of working with Ken and MEC for the last 20 years with Aurora Bearing Company. Ken was one the best reps I have worked with and he and Charlie and their staff have built MEC into one of Aurora's top sales territories. The respect that Ken showed his customers and the knowledge of Aurora Bearing Company and its products is what set Ken apart from other representatives. Personally I will miss our "windshield" time when we would share family stories. He was such a dedicated and proud husband, father and family man. My sincere condolences to Terry Lynne and the kids and also all in his MEC family. Ken will truly be missed.

“ Well, where do I start....I have met very few people in my life that exemplify the way Jesus would like us to be towards one another. Kindness, respect, patience and overall love for others. Ken always showed these qualities. In actuality this can be said of all of the Lastovich kids. I have always cherished the times when we would be able to get together at family gatherings both good and sad. But even at the sad get togethers Ken would lighten the mood. I guess it seems unfair that he was taken and yet there are others on earth we could do without that seem to live forever. I believe that this is because he is needed elsewhere by the powers that be and his passing is a reminder for all of us to cherish each other while we are here. Our hearts go out to Terry, Andrew, Steven and Lorna. You will be in our thoughts and prayers.

“ In my work history I have needed to interface with a large number of reps in a variety of different ways - there is no one better than Ken. It's amazing to think of his position at MEC, yet he tackled every single request with such tenacity it was as if he was brand new and needed to prove that he belonged by going above and beyond every time. He made my job much easier than it needed to be.

As a person, Ken was one of the most friendly, genuine people I've had the chance to work with. I knew to leave some extra time for our phone conversations because we would spend time talking beyond work, and I always looked forward to the conversations we had. I will miss the smile he put on my face whenever we talked. It's very sad news to hear about this today, but I know he's up there smiling down on all of us.

“ Ken will certainly be missed. I had worked with Ken through Pfannenbergs for 7 years and he was truly one of the nicest person I have worked with. When we talked about family he was so proud of his kids and how much they accomplished. I am so very sorry for your loss.

“ Ken was my friend from Kindergarten on, So many great memories growing up together,
Jazz band,
First Job at Burger King together
Drive to SD to buy fireworks,
Work on his first car,
Fishing opener on Big Winni
soo many more,
I will miss him greatly
Rest In Peace My Friend, I look forward to meeting you again in Heaven,
Brent Mosher

“ I (and everyone at Pfannenberg) would like to send our condolences to the Lastovich Family in their loss. I have worked with Ken for the past 10 years, and thoroughly enjoyed our time together. He was a very special person, his honesty, laughter, and general positive attitude made him a pleasure to be around. I so looked forward to my visits to MN to work and just talk with Ken. I will miss him very much. Ken had such a knack for business and relationships, he made it seem effortless, but I knew he always prepared for our working together. I also got to be a recipient of his boat rides on the lake, and just his giving me tours of your beautiful area of the country. Ken and all of you will be in my thoughts and prayers, God Bless.

“ I first met Ken when he was working for Charlie Quarstad at Northwest Power Products. Then years later as the Sale Manager at MEC, Inc. while working for Charlie and eventually as our boss when Ken took over the business.

I will always remember how Ken loved to entertain our principles when they came into town, especially in the Summer when he could take them out to Lord Fletcher’s on Lake Minnetonka in his boat. We would all gather at Fletcher’s for some refreshments, food and people watching. Great fun for all.

Ken was more than just my boss; he was my friend. I feel honored to have known him, to work with and for him. He was a good leader, always there to help, guide and advise me. Ken had so much knowledge of our industry and loved to provide solutions to his many customers. I will miss Ken greatly. My thoughts and prayers go out to all of you. May God bless and watch over you.

“ I loved Ken's cheerful laugh. Ken would text Mark and send pictures when he was on vacation. It was wonderful to know Ken was thinking of Mark when he was having fun. Ken had 1-hour phone calls with Mark. Every phone call, I overheard Ken say, "Say Hi to Vicki!" Even on a 3-hour call. This made me feel important and loved.

“ Our entire team at Avtron/NIS is devastated to hear of Ken's death. Ken was an incredibly positive person, even among salespeople. He had a keen technical mind, and could quickly find solutions for customers large and small. He always had a light touch, never trying to impress anyone with his knowledge, and yet helping in so many ways. We will miss Ken's leadership, and most of all, his friendship!

“ *My earliest memories of Ken and later of the man that he became, is that he was all about you. Hearing you, supporting you, helping you and loving you. Ken loved people. Ken was as comfortable and enjoyed working with a person who got dirt under their fingernails while making a living as much as someone building the largest moving stadium roofs and walls in the world. A quietly determined person. Steady in his support. Easy to be with. In hundreds of ways he was always thinking of you and how to support you. None more than his family, who he made sure stayed the center of his life. Their dreams were his actions and you always knew they would be and how proud he was of them. And so, this is how I remember my dear brother Ken. Now I believe in my heart that the Lord holds Ken in his loving arms as he held us so many times.*
