“ *Dear Lee - You and your family are in our prayers. Ken was a wonderful person who didn't hesitate to help me when I was selling my home in Brooklyn Park. Ken & Lee would come over and we would work on the house together; I know meeting you both was meant to be because of the beautiful, loving friendship that we have had for all of these years. My husband Dave & I will always treasure the memories of our visits with Ken and feel honored that we got to share the memory of his 80th birthday with him. Love, Dave & Jodie Zilbert*
