“ I met Ken at UF when I was a freshman and he was a junior. He just happened to be rooming with Ralph Green who became my husband of 30 years. Although Ralph died and I remarried, Ken remained my friend for life, for which I’m so grateful. Always so clever and so much fun to be with and so delighted he brought Peggy into our lives. Although we live miles apart we were able to spend several days with Ken and Peggy twice yearly, eating, gambling and telling tall tales. Always a time to look forward to. I’ll miss Ken, his jokes and his smile. My sympathies go out to Susie, Paul and Peggy. You’ve lost a great father, husband and grandfather.

“ Ken and I went on many a business trip together when we worked together at Eglin AFB on the Gator Mine System. He was a joy to know and was a good program manager.

*I remember when I would tell him about a problem he would just look at me and say "Handle it. Handle it." as he had confidence that I could solve it.*

*Even though miles separated us Miriam and I always enjoyed the times with Ken and Peggy at football games in Gainesville and on road trips; gambling at casinos; and the times when they came to Orlando.*

*I send Seymour family our deepest sympathy for the loss of Ken and will cherish our memories of Ken forever.*

“ Ken has been a loyal friend for over 50 years. I was introduced to him by my husband, Y.B. They were good friends at the University of Florida and that friendship never ceased.

*I send Peggy, Suzie, Paul and the family my sympathy at this time. Life will go on, but nothing will be quite the same without their dear husband, father, uncle, or friend. Even though I live many miles away, I hope my friendship with Ken's family is forever.*
