“ *I was saddened to hear about Ken Sisco leaving his earth suit for his heavenly home with Jesus Christ free from pain. He was a very kind man who loved his wife and kids and loved his church family and those he came in contact with. He loved talking about the Lord, sharing his faith and listening to good old fashioned Gospel Music and the hymns. That could always cheer him up. He will be deeply missed and was very much appreciated by all who knew him. Another Godly Solider Has Gone home. I can't wait to see you again in heaven. Greet my grandparents and Jesus for me.*
