“ *Buckwheat,*

*You are very special to us. You were my brother, Dennis Hovdes best friend. My Mom and I live in Ft Lauderdale, Florida and we have thought of you often. No too long ago I saw a pic of you and Dennis at about 15 years old. You are in our prayers. Love, Ginny and Phyllis*

“ *Kenny... I have had the pleasure of being your friend and neighbor for the past 5 years. We had some of the best times, calling cabs, you thinking your driving while sitting in a lawn chair, thinking my house was yours. You were and amazing friend. I will always cherish the memories that I have of you. Love Brandie*

“ Hey Buck, I'm sorry to hear you have succumb to the demon we never even knew existed at the time. So many of us have been infected and hope we have exposed it for what it is, just in time to stop it. I know you will find the rest of our friends who were unable to detect it in time standing at the gate of our next life waiting to welcome you. You were a very special friend while here in our presence. I was fortunate to have known you. I know I'll see you again in the future.

Your old friend,  
Steve Rither
