TS

“ As a child and going to Grandmas to visit and Sunday mornings Uncle Whitie would take my sister and I to the corner gas station to get the paper and he would fill us up with bags of candy. Not to share with others he said. That was our candy. The boys got to go to the farm. The girls were not to get dirty. Grandma wouldn't allow that to happen. We had to stay in Whities truck and wait for him.
