

Kenneth Alden Wyberg

September 12, 1935 - February 11, 2023

Kenneth Alden Wyberg, of Minneapolis, Minnesota, age 87.

Ken was born September 12, 1935 in Minneapolis to Susan Beatrice Jancik. He died February 11, 2023 in Minneapolis with his family at his side.

Ken is preceded in death by his mother; father-figure and uncle Adam Stinar; his half-brother Clarence Alden Wiberg; and his brothers-in-law Gary, Steven, and David Dooley. He is survived by his wife of 58 years, Sharon Joy Wyberg; son Bryan Lee Wyberg (Lisa Anne Steidl); sister-in-law Geraldine Susanne Dooley; sister-in-law Leona Elsie Wiberg, and several nieces and nephews. Special mention is made of his "grandchildren" Catherine Schwartz (Josh), Alex Drake (Emily) and Laura Drake.

Ken was a 34 year Honeywell employee (retired 1989), who worked primarily in the Avionics and Underseas divisions. He was a draftsman and designer who was proud to have worked on electronics devices using gears, vacuum tubes, transistors and microcircuits. Starting out drawing with pencil, he retired using Computer Aided Design tools. Ken worked on many of Honeywell's programs supplying controls to aircraft and space vehicles, but his proudest contribution was on one that flew in the space capsule for the Apollo moon landing.

Proud of his Slovak heritage, Ken was a forty year member and dedicated volunteer with the Czech and Slovak cultural organization, Sokol Minnesota. Ken worked hard throughout those years on the restoration, remodeling and maintenance of the 135 year old CSPA Hall, the beloved home of Sokol Minnesota, located in Saint Paul on West 7th.

An all-around handyman and talented carpenter who loved woodworking and home remodeling, Ken was always busy with his home projects, right up until the very end.

Ken, your unexpected fall and sudden passing have left us all broken-hearted.

Private interment at Hillside Cemetery. A memorial service will be announced at a future date.

Memorials preferred to Sokol Minnesota.
