“ We left our crazy biting puppy named Freddy with Kerry and Carolyn for a week when we were out of town. When we came back and picked Freddy up we had a much more well behaved puppy!! We never asked any questions and were just so appreciative that Kerry stopped the biting! Haha! Freddy was Kerry's buddy after that visit.
Even though Kerry couldn't hear too well while I knew him, he was always ready to listen and offer a hug when needed. Jason and I are sure going to miss him!!
