“ I am in shock. I can't believe it. It's just so unbelievable. I need answers. I can't settle for "unexpectedly". We have been friends for over 20 years. He is the greatest guy I've ever known. When you are in his clan, he loves and protects you so fiercely. They way he talks about his boys, you just knew how proud he was and how much he missed them. He was more adventurous since being with Jen. He was happier than I've ever known him to be. He was so full of life and love and doing new things. It kills me that he's gone. I still have so much I needed to tell him. Anyway, my thoughts and hugs and prayers are with the people closest to him. His Mom and Dad, Annette, Jen, and the boys. Be good to one another. The hole will take time to heal. Love, Nineke
