

Kevin J. "Bear" Lewis

September 1, 1956 - March 28, 2020

Kevin J. "Bear" Lewis, age 63 of Brooklyn Park MN, formerly of Dayton OH, passed away Mar. 28, 2020. Preceded in death by his parents. Born to a military family, Kevin lived all over the United States and across Europe. Kevin worked at US Bank as an Operations Release manager where his candor, sense of humor, and intelligence were recognized and led to a large network of colleagues and friends. Kevin loved to spoil his adoring wife of 39 years and children. He could be found travelling the globe with his wife or slaving over some form of BBQ to feed his family. Kevin had only a year ago been diagnosed with ALS and inspired many with his attitude and resilience. He was an amazing husband, father, and loyal friend. Survived by wife Cheryl; daughter Jennifer; son Aaron (Hannah Fie); brother Kurt; and many other friends and family. A celebration of life will be held at a later date. In lieu of flowers, the family would be honored if you were to make a donation to your local ALS Society. #FALS

“ We send Cheryl and Kevin's children/family our deepest sympathy. Kevin was the soccer coach at Beavercreek High School, OH for our late sons' soccer team. I put his obituary on my FB timeline. Here's my post on FB and tribute to Kevin:

"Kevin Lewis was the coach for our late sons' (Rob) soccer team from 1983 - 1988. Their journey together began when he coached the first Stars Select Soccer Team in Beavercreek Oh and Rob was selected to be on that team. Those boys stayed together right through high school at Beavercreek HS. Those were wonderful years filled with some wonderful and talented kids, their dear parents, and so many good times. Kevin remained as their coach even moving up to become the head soccer coach at the high school just as they arrived there. Our memories are filled with those golden times. We lost touch with Kevin many years ago so this was such sad news we just received from Kevin Riggs, one of Rob's talented teammates. Thanks for the memories Kevin and thanks for your time and attention to our boys. RIP Kevin Lewis"

Thank you so much for your kind words. Kevin was very passionate about "his" players. I have many fond memories, too.

“ Kevin was one of those people larger than life (literally!), great of heart, a gentle giant of a man with a keen intellect, who was a joy to work with. We worked together in Belgium, the U.K., Italy & the U.S. Everywhere he went, he inspired confidence, shared his knowledge & his wisdom. He loved life, and food, and friendship. My deepest sympathies go out to his family. He left us too soon and I, for one, will never forget him. RIP.

Thank you, Kev loved Belgium. And a few years ago he gave me the tour. Trip of a life time.
