

## Kimberly Hillyard Hannon

May 12, 1937 - September 12, 2025

Edina, MN - Kimberly Hillyard Hannon passed peacefully and gently on Sept. 12th at the age of 88. Kim was born in Dubuque, IA on May 12, 1937. After marrying Bill a few weeks after she graduated from the University of Iowa, Kim devoted herself to raising a family with Bill. When her youngest child Case was in college, Kim went back to school to obtain Montessori teaching certification, and began what became a 30-year career teaching at Golden Years Montessori School in Edina. Throughout her long career, Kim worked to prime and inspire many hundreds of young children to be curious and to enjoy learning about nature and the world and its myriad people and multifaceted manifestations.

Kim is survived immediately by her husband of 65 years, Bill; children Quinn, Cole and Case; grandsons (Cole) Conor, Riley and Will; and sister Robin. Kim's commitment to educating young children will continue to impact lives for generations. In lieu of flowers, memorials may be directed to Golden Years Montessori in Kim's memory.
