

Kimberly Renee Hove

September 2, 1959 - May 7, 2023

Kimberly "Kimmy or Mimi" Renee Hove, born September 2, 1959, to Richard & Diane Hove, passed away on May 7, 2023 in Burnsville, MN.

Kimmy leaves a legacy of being a guiding force for good. When asked about Kimmy, many shared about the love she illuminated, the strength she empowered them to find, and the championing she did for all. As a redheaded spitfire, Kimmy wore her heart on her sleeve, giving so much of herself in service and support of others. She was a wine enthusiast, a chance taker, and proud of her Norwegian heritage.

Kim is survived by her three brothers, Doug Hove (of Great Falls, MT) and his 4 children and 5 grandchildren; Kevin Hove (of Eagan, MN) and his wife & two kids; and Keith Hove (of Burnsville, MN) and life-long best friend, Trish Munoz (of Woodbury, MN) and son.

In lieu of flowers, please make a donation in Kim's name to the Dakota Woodlands in Eagan, Minnesota www.dakotawoodlands.org/monetary-donations

“ Kim and I met 44 years ago, when both of us were 20 years old. I will always remember her red hair freckles, her contagious smile and laugh. It's hard to believe that she's no longer with us in body but she will always be here in spirit. Thanks for the memories Kimmy! I know you're frolicking around heaven and there is no more pain...

Love your friend,
Bethie - her nickname for me

She would also say "love ya, girlie "

She will be missed.

“ I remember Kimmy from grade school at Pond Elementary! My family moved in junior high, but I still can hear her sweet giggle and see her beautiful smile. She was a good friend back then... one I haven't forgotten. I'm so sorry to see that she has passed and am sending love to her family and friends. Rest in peace, dear Kimmy.

“ How do you say good bye to one of your best friends for 48 years? My heart is heavy. You were my best friend; you belong in my heart. We went through ups and downs, but still nothing tore us apart. I know you as a sister, and there you will remain.

I Loved you, respected you, and trusted you in the things that we shared.

You are now my angel that God will take care

Be happy my friend..... I will always love you & give your folks a hug & kiss from me

“ I worked with Kim for many years. She was a kind and gentle soul. Kim was fun loving and full of life and always had a smile on her face and a kind thought to share. She will be missed, and my heart goes out to her family and friends who no doubt will be feeling a great loss now. Be comforted by all your good memories.

“ As we stand on this shore Kim is on a boat sailing away towards the horizon. We stand here in tears saying good bye. We love you we will miss you and as we watch her boat gets smaller and smaller until it disappears into the horizon. On another shore are loved ones that have made this same journey. They are looking at the horizon and spot a small boat. It gets closer and closer. As it nears this shore. The all say *HERE S HE COMES*. Kim was an awesome person and loved her family and friends and was so proud of all of you,, Jan fuchs coworker at LTCCG

“ *To the Hove family. Kim was a delight to be around and brought good times with her where ever she went. I loved her positive attitude and the love she always showed towards her nephews John and Eli. They will surely miss Mimi. Truly a good soul has left us but I'm happy for her to be able to be with her Mom and Dad and her cherished Weiner dog!! (I forgot it's name). Love to you all. Enjoy the happy memories you have of her!!*

“ As I sit thumbing through old photos, I am reminded of the lifelong memories of Kimmy – my bestie cousin/friend/confidante. We have been side by side through all the ups and downs (downs alongside Kimmy were few but brought us even closer when they did occur) for the past 63+ years! Through childhood play, teenage shenanigans, adulting and most important, being my family’s biggest champion and supporter (weddings, auntie, babysitter, godmother, Christmas cookie and lefse maker, chocolate provider and the absolute bestest hugger in the world!), I cherish all the gazillions of moments we shared. Her and I will forever be connected in a way that few cousins are, and I will always stand proud as being each other’s favorite cousin!

Love, love, love you, and will deeply miss you Kimmy!

“ She was the light, love and laughter of the family. She was a protector of our brother Keith. She had such a kind heart and hurt very easily. But after time, she let bygones be bygones. But she lived so much. Especially of nephews, and nieces. Great nephews and nieces too! Earth is less brighter. Heaven is more!

Dear Hove family. You have our sympathies. It was shock to see her obituary in the same paper as our beloved Van. Kim was a special little girl and Van always thought special of her..it is a long time since we lived in Stewartville. Shirley Sindelar and sons.
